TERMS OF ACCEPTANCE

Here at Vibrant Life Chiropractic the term **Practice Member** is used instead of "patient" as "patient" suggests illness or injury, and many whom we serve are healthy and seeking wellness rather than symptom management. A Practice Member is an active participant in his or her chiropractic care, and is therefore invited to ask any questions or express any concerns that he or she may have. Practice Members can expect quality service and leadership as they regain control of their health. With the utilization of state of the art advanced technology, a complete analysis of your child's spine will be administered first to detect the presence of vertebral subluxation complex and to monitor your child's progress. Please read and sign this form stating that you understand the items explained below. If there is anything that is unclear please ask questions before you sign. If you refuse to sign this form, the doctor reserves the right to refuse care.

INFORMED CONSENT FOR CHIROPRACTIC CARE

I hereby consent to give the doctor of chiropractic, and anyone working in the Vibrant Life Chiropractic office authorized by the chiropractor, permission and authority to care for my child (the minor listed here: _____ for whom I am legally responsible). Chiropractic tests, diagnosis, analysis, and adjustments are very safe and beneficial and rarely cause any risks. In rare cases, underlying physical defects, deformities or pathologies may make your child prone to injury. It is the responsibility of the child's parent/guardian to make it known, or to learn through health care procedures if your child is suffering from latent pathological defects, illnesses, or deformities, which would otherwise not come to the attention of the chiropractor. The doctor of chiropractic will not give any treatment or care if he or she is aware that such care should not be used for a particular condition or circumstance. Your child's doctor of chiropractic is a licensed primary care provider, and is available to work with all other types of providers. I understand that if my child is accepted as a Practice Member at Vibrant Life Chiropractic, I am authorizing them to proceed with any treatment that they deem necessary. I understand that following the doctor's recommend care plan is essential to maximizing my child's healing and reaching optimal health through chiropractic. Furthermore, any questions that I have regarding chiropractic care, will be explained to me upon my request.

AUTHORIZATION FOR X-RAYS

Specific postural x-rays may be necessary for the identification of the location, type, and severity of vertebral subluxation, as well as for the diagnosis and identification of latent or dangerous conditions requiring medical attention. X-rays may also be used to show progress after a period of recommended chiropractic care. At your request, you can received a copy of your child's x-rays to a disc for the mandated fee of $15.00.

By signing this page below, I authorize Vibrant Life Chiropractic to perform diagnostic x-rays of my child if medically necessary.

Select which is true for your female child:

☐ To the best of my knowledge, there is no chance that my child is pregnant at this time.

☐ I know or believe that my child may be pregnant at this time and therefore I **DO NOT** authorize Vibrant Life Chiropractic to perform diagnostic x-rays of her.

AUTHORIZATION FOR RELEASE OF INFORMATION & ASSIGNMENT OF BENEFIT

By signing below, I recognize that I am financially responsible for all services rendered to my child regardless of insurance or benefit. I further understand that any health insurance policy is an arrangement between me and my child's insurance carrier and that I may be required to pay for some or all of the fees charged to my child's account. I hereby authorize Vibrant Life Chiropractic LLC to release all necessary information concerning my child's health condition to any billing company, insurance company, attorney, and/or adjuster in order to process any claim for reimbursement of charges incurred by my child. In addition I authorize Vibrant Life Chiropractic LLC to release any information regarding my child's health condition to other health care providers involved in my child's care. This assignment will remain in effect until revoked by me in writing. I agree that a photocopy of this form is to be considered as valid as the original. I confirm that all information I have provided is true and correct to the best of my knowledge. I confirm that I have read and fully understand this agreement and authorize Vibrant Life Chiropractic LLC to proceed with chiropractic care.
